

AUGUST 2021

THE YOUNGS

CHURCH-PLANTING MISSIONARIES TO

COLOMBIA

Dear Pastor and
Church Family,

Bridgette and I would like to thank you for reading our **31st prayer letter!**

Ministry Update: Month One - What are we able to do and what have we done?

Although our first month was mostly designed to get set up, and although we cannot speak Spanish yet, we have been able to **talk to people** (from our transportation drivers to those we met in the streets) **about the Gospel** the best we can **and invite them to the Sanabria's** ministry at *Vision Baptist Church*.

Our goals in ministry during language school will be to pass out a **minimum of 1,000 tracts** every week (but we hope to pass out **10,000 per month**. **On top of that**, while we learn the language, we will practice by giving the gospel to those who are willing to listen to our broken Spanish. We will also be **able to give the Gospel through English classes** that we will offer in the next several months as a ministry out of the Sanabria's church (if all goes well). We hope to be more effective in our witness and have further opportunities to minister as the months go by.

Would you continue to pray with us in these ways:

1. That we will be able to receive a 2-year visa (We should know more by the next prayer letter!), and
2. For the Lord to give our family grace as we learn Colombian Spanish.

Language School Update: Future training

Language school officially begins this month! We will have a class setting in the morning for 4 hours. During the afternoon we will go and practice what we've learned. As mentioned above, we will have many opportunities to give the Gospel. We are excited to learn Spanish, but our real purpose is for being here is to win others to Christ and reach Colombia.
