# THE YOUNGS

CHURCH-PLANTING MISSIONARIES TO

# COLOMBIA

Dear Pastor and  
Church Family,

Bridgette and I would like to thank you for reading our 23rd prayer letter!

### **A word from Bridgette: God makes no mistakes!**

At the beginning of November Blake and I were so excited to find out we were expecting our second child. However, on our survey trip to Colombia we found out that I had an ectopic pregnancy and needed emergency surgery. We are so thankful that the Lord kept me safe on the flight to Colombia! Our sweet baby, Callan Vision, is now safe in the arms of Jesus. While we are heartbroken, I feel so privileged to have been allowed to carry him for those precious 10 weeks. The doctor in Colombia was so kind and did a wonderful job. The hospital in Medellin was very nice and we felt very comfortable and well cared for. 2 Corinthians 12:9 "And he said unto me, **My grace is sufficient for thee:** for my strength is made perfect in weakness."

### **Will You Continue to Pray with Us in These Ways:**

1. Would you ask God to continue to show His grace on our family and as we prepare to leave next year (2021)? Leaving will be a step of faith for us. God has given us over 65% of our needed support. We are asking God to provide the other 35% and to meet our set up fund.
2. For comfort and grace during this time of healing for Bridgette and I.

### **Our Survey Trip Update:**

We arrived in Colombia on November 23rd and had planned on staying for 6 days, but because of the surgery we will be going back home on December 5th. We have been able to see more of Medellin and the areas around it that are in desperate need of the Gospel. Bridgette was able to see Colombia for the first time and learn more about what it will be like to live here. Missionaries **Miguel and Mariangela Sanabria** helped us with so much and we gained a better understanding of what church planting will be like. It was a very profitable trip and we are even more burdened for the lost in Colombia. Thank you all for what you continue to do for our Lord.
